

JIMENEZ JAYSONNEL

4th Year BS Computer Science Student | Aspiring Software Engineer

About Me

I am Jimenez Jaysonnel, a passionate and goal-driven student pursuing a Bachelor of Science in Computer Science at the University of Perpetual Help - Molino Campus. My passion lies in building efficient, scalable software systems and solving real-world problems through technology.

I'm currently seeking internship or junior developer roles where I can collaborate with experienced developers, grow technically, and contribute meaningfully to software projects.
